Educator Development

In-Person Staff Training

Professional Development for Educators

An interactive and inspiring one-day training for staff to build social and emotional competencies, connect as a staff, and become empowered to facilitate Core Lessons Curriculum. In this one day (6 hour training) staff are guided through a powerful learning experience, inspiring them to have a bigger impact in their classrooms and intentionally change the school's culture, from the inside out.

For: Educators, Administrators, Counselors, Paraprofessionals, and Classified School Staff

Duration: 6 Hours

Location: In your school

On-Demand Staff Training

Video-based Educator SEL Development

A convenient, on-demand, video-based training for educators to build social and emotional competencies and learn best practices for facilitating the Core Lessons™ curriculum. When an in-person training simply isn't an option, Intentional SEL™ is a practical way to help teachers become confident, competent, and committed facilitators of social and emotional growth in students.

For: Educators, Administrators, Counselors, or organizational staff who will be using the Core Lessons™ curriculum.

Duration: Multi-Video Training

Location: In your school

Student Experiences

Student Leadership Training

Building a strong leadership group is all about digging deep and creating leaders from the inside out. Those students who understand and take hold of the power of their influence have the most impact on their peers and student body. Through advanced leadership concepts and a high energy atmosphere, students are guided through a process of commitment and purpose. They become unified as a team and more ready than ever to use their unique influence to positively impact their peers and school culture.

For: Middle and High School Student Leadership Groups

Core Day™ Core Day is an immersive experience that ignites empathy and compassion. Core Day experiences provide students and staff with an opportunity to look beyond differences and embrace community, respect, and kindness. If your school is using the Core Lessons curriculum, Core Day serves as a perfect launch— engaging staff and student leaders in an experience of building connections, leading discussions, and intentionally creating an environment that fosters growth and learning for all students.
